Volunteers needed

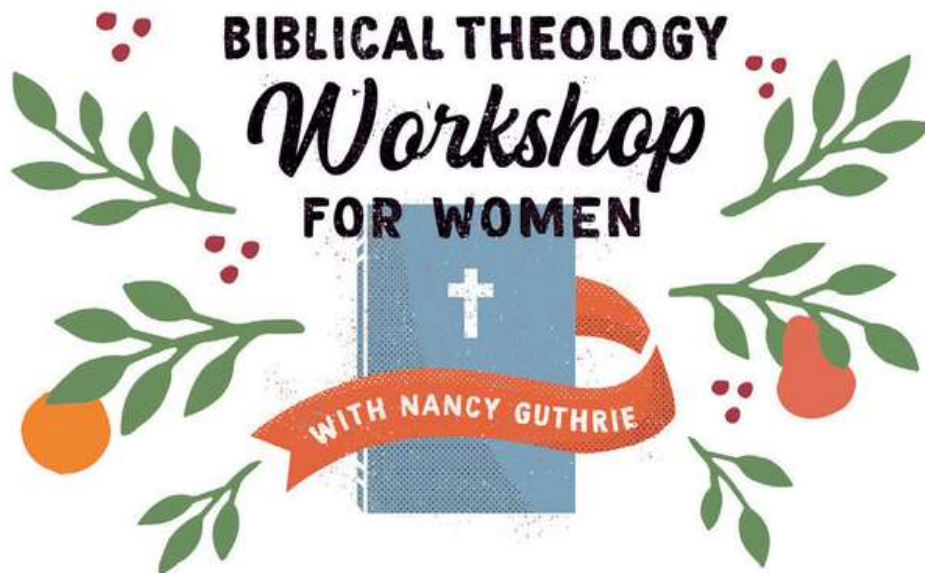

CALL FOR MORE VOLUNTEERS

The current roster is out now. We have some people who have been serving for a long time coming off in some areas. We therefore have an opportunity for more people to join our friendly teams. Please prayerfully consider if there is an area you feel called to serve in. There are a variety of jobs and ministry areas available.

Please speak to Karen in the office if you are able to help. Karen will then be able to direct you to right person to speak to.

Many hands helping out in a small way, all add up to being such a valuable blessing for the church. We are all called to care and look after our church. Thank you everyone.
