## **NEW SONG!!**

'Creator' by Phil Wickham, is our new song for the month of April.

The song speaks of all creation from the small creatures to the galaxies praising the creator. It goes on to describe the creator stepping into what he made, praising Jesus who paid our debt and set us free. Then reflecting on how we have been saved and one day will see God face to face. We were made to magnify our maker and creator. Our God is so holy that all creation will praise the creator.

*The Heavens declare the glory of God; the skies proclaim the work of his hands. Day after day they pour forth speech; night after night they reveal knowledge.*

*Psalm 19:1-2*
